Please note that income taken from a beneficiaries' drawdown account will not trigger the Money Purchase Annual Allowance.

4.1 Initial gross income

Please specify below the amount to be paid.

	Other	If other, please specify gross annual amount: £ <input type="text"/>
Type of income payment	Single	Regular If regular, please give details below:
Frequency of income payments	Monthly	Quarterly Where you select quarterly payments, we will pay your income at the end of March, June, September and December.
	Half-yearly	Yearly
Date of first payment	Month/Year	

Please note: if the income payments are taxable, and if you haven't previously taken benefits from a SIPP with us, we will not have a tax code for you. If you have received a P45 from your previous employment and it's dated in the same tax year in which you are commencing income, please forward parts 2 and 3 of the P45 to us along with this form. We will check that the P45 can be used and, where permitted, we will apply the tax code from your P45 when we process your first income payment; this code has to be applied on a month 1 basis.

If we have no tax code and no P45, HMRC rules state that we must apply an emergency tax code on a month 1 basis until HMRC issues us with your tax code, which we will then be able to apply against future payments. The emergency tax code may result in you initially paying too much, or too little, tax to HMRC.

4.2 Personal bank account details for income payments

We also need sufficient cleared funds in your SIPP bank account ten business days prior to each payment date as otherwise the payment will not be made. It is your responsibility to ensure sufficient funds are available in the SIPP bank account.

5 Expression of wishes

You should complete this section to tell us who you wish to receive benefits from your plan if you die.
If you wish to name more beneficiaries than the spaces allow for, please continue on a separate sheet and attach it to this form.
Please refer to the Terms and Conditions for your plan for details of the different ways death benefits may be received.

Declaration

- On my death, I wish the scheme administrator to pay any benefits from my plan(s) to the beneficiaries, and in the proportion set out below.
- I accept that this is only an expression of my wishes. I understand that whilst the scheme administrator will pay due consideration to those wishes, they have absolute discretion as to the beneficiary(ies) and to the proportion of benefits paid to each beneficiary unless otherwise provided by law.
- I understand that if the scheme administrator chooses a beneficiary who has not been named in section 5.1 or 5.2, drawdown income would normally only be available in limited circumstances. Therefore in addition to the below, in order to allow the administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.
- I understand that I can change the beneficiaries at any time and that the scheme administrator will refer to the last completed form held.

7 Risk questions for flexi-access drawdown

Please answer the following question.

Prior to applying to take benefits have you taken advice in relation to flexi-access drawdown from an authorised adviser?

Yes please go to section 8.

No* please answer the below questions to highlight the risks of flexi-access drawdown.

* Having considered the matter, I will not be seeking financial advice and accordingly I wish to deal with Curtis Banks on an execution-only basis on making the application to take benefits under flexi-access drawdown. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your flexi-access drawdown request until we have received this signed declaration. We can accept copies by secure message, fax 0370 414 8000 or email to benefitsteam@suffolklife.co.uk if this is more convenient for you.

Please note that this exercise is only intended to highlight potential risks - your answers won't affect your options.

Guaranteed income

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

Yes

No/unsure

Tax

Money that you take from your pension may be taxed (please see the applicable Key Features Document or Beneficiary Options Fact Sheet for further information). If it is taxed as income, it is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax we deduct from any payments is not the final amount due: you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of taking income from your plan?

Yes

No/unsure

7 Risk questions for flexi-access drawdown (continued)

- Investment scams** Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?
- Yes
- No/unsure
- Health** Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?
- Yes
- No/unsure
- Inflation** When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?
- Yes
- No
- Debt** Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?
- Yes
- No
- Benefits** Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?
- Yes
- No
- Ongoing income** Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?
- Yes/unsure
- No
- Further investment** If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?
- Yes/not applicable
- No/unsure

7 Risk questions for flexi-access drawdown (continued)

- Inheritance tax** Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is held outside your estate and is highly unlikely to be subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?
- Yes
- No/unsure
- Shopping around** There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?
- Yes
- No/unsure
- Beneficiaries** When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?
- Yes
- No/unsure
- Contact details** We may need to contact you if we have any questions on the information you have given. Please provide us with your email address and a contact telephone number and your preferred hours of contact (during our opening hours).
- Email address
- Home telephone number
- Mobile telephone number
- Preferred hours of contact
