

INVESTMENT, SIM AND SMART PARTNERS

For Heritage Products of Curtis Banks
and Suffolk Life

Investment, Sim and Smart Partners

Please find below a list of investment firms with which Curtis Banks currently has a relationship for heritage products of Curtis Banks and Suffolk Life.

Investment Partners (e-affiliates) provide an integrated, fee-saving option by reporting data to us electronically. These electronic data feeds provide automatic, daily updates to our systems, which you can access through our secure portal via our website - www.curtisbanks.co.uk.

Whilst you can choose any investment firm listed below, we have created a panel of Partners for the Suffolk Life Single Investment Manager SIPP and the SmartSIPP.

In addition to those listed, we would be happy to deal with any investment firm that meets our due diligence requirements. In the instance that an investment firm does not meet our requirements to become an Investment Partner (e-affiliate), additional fees will be applicable and you should refer to the Schedule of Fees for your product.

You are responsible for deciding which FCA-regulated investment firm you should use for your investments as Curtis Banks are unable to provide advice.
