## Notes on the completion of the introduction certificates for UK and EU regulated intermediaries in the retail sector

- The certificate must be signed by a person who has been authorised by their firm for this purpose and who has seen the original documentation.
- The certificate submitted must be the original or a clean certified copy of the original certificate (e.g. where a certificate is being sent to more than one product provider). Uncertified photocopies and faxes are not acceptable.
- If photocopies of documentary evidence are attached to the certificate, the person signing the certificate must certify them. Each photocopy must be individually certified with an original signature. Further certification of previously certified copies is acceptable provided the previous generation document bearing an original certification has been seen by the firm.
