

COMMERCIAL PROPERTY IN SIPPS

LEARNING OBJECTIVES

APPROVED FOR ADVISER USE | JANUARY 2024

This webinar looks at what advisers should consider when considering their client's current and proposed property investment intentions and also in respect of developing a SIPP property.

Following this session, the delegate should have an understanding of the following objectives and/or topics:

- Be aware of the benefits and risks of SIPP commercial property investment.
- Understand the types of property that can be acquired via a SIPP.
- Understand Minimum Energy Efficiency Standards (MEES) regulations.
- Identify whether your client needs to take immediate action in respect of MEES.
- Understand how to undertake development works to a SIPP property and the due diligence required before works can commence.
