# 1 Important points to consider

The product is not designed for customers with less than £50,000 to invest (see the Consumer Duty section of our website for Target Market documentation). Applications for less than £50,000 must be approved prior to submission - please speak to your usual Business Development Manager.

Please note that if any of the following apply, you will need to complete an additional form(s) as part of the application, which are available on our website:

- Take an UFPLS immediately
- Invest in property
- If your client wishes to invest via a third party investment firm, we require an application form from the investment manager, execution only stockbroker or platform.
- If your client wishes to invest in directly held investments including funds and deposit accounts, we need the relevant form from the provider of the investment and a written instruction.

For cash transfers in we will request these using the Origo 'Options Transfer' Service where available. If you would prefer us not to use the Origo 'Options Transfer' Service or if the transferring scheme does not use the Origo 'Options Transfer' Service, please indicate this when submitting the application form and provide us with any discharge forms required by the transferring scheme.

For in-specie transfers in we will require the relevant discharge forms for each in specie transfer, as we are unable to use the Origo 'Options Transfer' Service for these transfers. Please send us a completed In-Specie Transfer Schedule. Alternatively you can provide a valuation in your own format, which includes all of the information required by the schedule. If the In-specie transfer contains property then please send us a completed Property form.

Please note that if additional documentation is required, further details can be found in each section of this document as well as appendix B.

All documents are available on our website [www.curtisbanks.co.uk](http://www.curtisbanks.co.uk).

## 6 Immediate drawdown

If your client is not immediately designating to drawdown, please go to section 7.

Please note, if your client had a Benefit Crystallisation Event (BCE) prior to 5 April 2024, which used some lifetime allowance and where they did not receive a tax-free lump sum of 25%, they may be entitled to a transitional tax-free amount certificate.

A transitional tax-free amount certificate will reduce the Lump Sum Allowance (LSA) and Lump Sum and Death Benefit Allowance (LSDBA) used by your client's previous benefits where a 25% tax-free lump sum was not taken. Where lifetime allowance has been used previously, we are required to assume a 25% tax-free lump sum was paid and will reduce the allowances accordingly.

Please note, your client will be unable to apply for a transitional tax-free amount certificate after their first relevant BCE post 5 April 2024 has been completed. If your client wishes to apply for a transitional tax-free amount certificate they will need to contact one of their pensions scheme to complete this. If they would like Curtis Banks to do this, please contact us to discuss our requirements and the evidence required.

## Benefits taken before 6 April 2006

- 6 My client took retirement benefits from any scheme before 6 April 2006.  
In order to correctly calculate the impact of benefits taken before 6 April 2006 against your client's allowances, we first need to establish the value date for these benefits by asking two questions.
- Step 1 - What is the earliest date listed in question 4? If no dates have been listed in this section please enter 5 April 2024.**

Faster Payments and CHAPS are normally a same day transfer. Tax-free lump sums and excess lump sums will be paid to the bank/building society account detailed above. Please note that CHAPS payments will incur a fee, please refer to the current schedule of fees.

Where the whole fund crystallised is to be paid out as pension income in a single payment, the payment will be made when the plan has been reconciled. This will incur a fee in line with the relevant schedule of fees.

We require ten business days' notice to establish or amend income payments. For monthly payments, if there is insufficient time to set up your clients first payment, your client will receive a double payment on the next payment date.

We also need sufficient cleared funds in the SIPP bank account ten business days prior to each payment date as otherwise the payment will not be made. It is your clients responsibility to ensure sufficient funds are available in the SIPP bank account.

## 9 Benefits payable on death

You should complete this section to tell us who your client wishes to receive benefits from your plan if they die.  
If your client wishes to name more beneficiaries than the spaces allow for, please continue on a separate sheet.

Please refer to the Terms and Conditions for your plan for details of the different ways death benefits may be received.

### Declaration

- On my death, I wish the scheme administrator to pay any benefits from my plan(s) to the beneficiaries, and in the proportion set out below.
- I accept that this is only an expression of my wishes. I understand that whilst the scheme administrator will pay due consideration to those wishes, they have absolute discretion as to the beneficiary(ies) and to the proportion of benefits paid to each beneficiary unless otherwise provided by law.
- I understand that if the scheme administrator chooses a beneficiary who has not been named in section 6.1 or 6.2, drawdown income would normally only be available in limited circumstances. Therefore in addition to the below, in order to allow the administrator to pay drawdown income to as wide a range of beneficiaries as possible and for the purposes of the relevant tax legislation, I nominate any individual who is eligible to receive a lump sum on my death under the rules of the scheme.
- I understand that I can change the beneficiaries at any time and that the scheme administrator will refer to the last completed form held.
