3 Sub-Fund

- 3.1 If you wish to use the Commercial Property Investment option under the Policy, you must first complete and sign an Application Form and deliver it to the Trustees. After we receive a properly completed and signed Application Form for you from the Trustees, we will set up a commercial property investment fund for you (your Sub-Fund) to which benefits under the Policy will be linked. Your Sub-Fund will relate only to you and will be available only in relation to the Policy.
- 3.2 On receipt:
- monies (other than in respect of your property SIF) are deposited in a pooled bank account; and
 - monies in respect of your property SIF are deposited in a property pooled bank account.
- We will notionally record the relevant amount in your SIPP bank account records or in your property SIF bank account records as appropriate. When we pay money out of the pooled bank account or the property pooled bank account on your behalf, we will record this by debiting the relevant amount in your SIPP bank account records or your property SIF bank account records as appropriate.
- 3.3 You can ask the Trustees to pay part of the monies that they hold for you under the Scheme to us for allocation to your Sub-Fund. Until we receive cleared funds, they are not our assets for the purposes of the Policy or your Sub-Fund.
- 3.4 Cleared credit balances in the:
- pooled bank accounts that are credited to your SIPP bank account records; and
 - property pooled bank accounts that are credited to your property SIF bank account records
- may earn interest.
- The basis of the rate of interest your SIPP received will be as set out on our website at www.curtisbanks.co.uk/bank-interest. Any credit balance on your property SIF bank account records is not aggregated with a credit balance on your SIPP bank account records in calculating interest rates. We retain some of what's earned so we can keep our charges low, as well as investing in our technology and propositions and in providing higher service levels. Our aim is to deliver excellent financial outcomes for our customers, and ultimately help make their retirement more rewarding.
- 3.5 Where the rate of interest earned by the pooled bank accounts or the property pooled bank accounts is less than the interest paid by the banks to us across all such accounts we have with them, we will keep the difference.
- 3.6 We may change the basis of interest and the interest rates applying to the pooled bank accounts and property pooled bank accounts (which will affect the amount creditable to your SIPP bank account records and your property SIF bank account records). Any change will reflect in our and Suffolk Life Annuities' reasonable opinion, a proportionate response to any change made by the bank to the basis or rates of interest paid by the bank to the Curtis Banks Group. We will give you as much notice as reasonably possible before changing the basis of interest or decreasing the interest rate. This will generally be at least 30 days' notice.
- 3.7 For the effective operation of your SIPP:
- we require you, at the time of making an investment or on transferring money to an investment manager, to maintain a minimum balance of £1,000 and any additional sum as will be notified to you in writing, in the pooled bank accounts and, if appropriate, in the property pooled bank accounts (as recorded

in your SIPP bank account records), appropriate to the regular transactions in your SIPP (e.g. drawdown income payments, loan repayments, business rates, insurance, any fees including our fees, etc);

b. you are required to ensure that there is sufficient money in the pooled bank accounts (as recorded in your SIPP bank account records) and the property pooled bank account (as recorded in your property SIF bank account records) to meet any expected single or regular payments (including our fees). If there is insufficient money notionally recorded in your SIPP bank account records or your property SIF bank account records to make such payments, including payment of any benefits to you or payment of fees to your appointed agent, we may not make the payment;

c. you agree that we may instruct an investment manager to transfer monies held in a bank account operated by the investment manager to a pooled bank account to meet the liabilities of your SIPP; and

d. you agree that we may transfer monies credited to a pooled bank account (and recorded against your SIPP bank account records) into your property SIF in accordance with paragraph 7.5.

3.8 We will open pooled bank accounts and property pooled bank accounts with institutions that we have approved. These accounts will hold funds in sterling and will be with UK-authorized institutions legally able to accept deposits (as listed in the Financial Services Register) selected by us using rigorous due diligence processes. Details of the banks holding pooled bank accounts and property pooled bank accounts in respect of your Sub-Fund are available from us on request.

3.9 Where we place money with a bank, we will use reasonable skill and care in selecting the bank's appointment but are not liable for the acts or omissions, insolvency or dissolution of the bank.

3.10 In the event of a default by a bank holding monies in a pooled bank account or a property pooled bank account, your Sub-Fund will share proportionately in any shortfall in the pooled bank account and property pooled bank account. We or you may be able to claim under the Financial Services Compensation Scheme. Paragraph 22 provides further details.

3.11 You can ask us to invest your Sub-Fund (including amounts credited to the bank account) in accordance with paragraphs 5, 6 and 7. Until you give us instructions, the relevant amounts will continue to be held in the pooled bank account. Unless you have instructed us otherwise, we will review the amounts credited to your bank account records and property bank account records from time to time and may transfer sums back to the Trustees of your Aviva Pension Portfolio to be held by them if we believe that such sums are not reasonably required to be retained to meet anticipated expenses or disbursements in connection with investments held by your Sub-Fund. We will tell you if we do this.

3.12 Your Sub-Fund will be part of the fund maintained by us for the purpose of our long-term insurance business (as defined by the Financial Conduct Authority and the Prudential Regulation Authority). Benefits under the Policy which are linked to your Sub-Fund will be determined wholly by reference to the value of the assets and liabilities which we hold in respect of your Sub-Fund, including the balance on the bank account records and property bank account records. These assets and liabilities are notionally allocated to your Sub-Fund but neither you nor the Trustees have any legal or beneficial interest in them or in your Sub-Fund. All references in these Administrative Terms to assets and liabilities of your Sub-Fund are to be construed accordingly.

3.13 Any investment income or capital gains arising from the assets of your SIPP and interest earned on the balance of your SIPP bank account records and your property SIF bank account records will be credited to, and form part of, the assets of your SIPP. Any loan or interest expense relating to your SIPP will be debited to, and form part of, the liabilities of your SIPP.

3.14 A member of the Curtis Banks Group may receive discounts, rebates, commissions or other payments relating to the investments of your Sub-Fund. In this event, we will have notified you prior to our entitlement arising relating to the investments of your Sub-Fund. The amount will not be credited to your Sub-Fund but will be retained by the relevant member of the Curtis Banks Group.

4 Payment of premiums

- 4.1 Subject to Paragraph 4.2 and as otherwise provided in these Administrative Terms, you may instruct the Trustees to pay us premiums for allocation to your Sub-Fund at any time.
- 4.2 The Trustees must comply with any restriction on the minimum amount of any premium payment and any other requirements relating to premium payments specified in the product particulars or made under these Administrative Terms.
- 4.3 Subject to the Trustees' and our agreement on each occasion, a premium may be paid by a transfer to us of assets. The terms of any such transfer, including the payment of costs, will be as agreed between you, us and the Trustees.

5 Investment instructions

- 5.1 You may give instructions to us to acquire investments for your Sub-Fund. This is subject to:
- the limitations set out in the product particulars on the types of investment that may be acquired;
 - the minimum amount of any investment set out in the product particulars;
 - the retention by your Sub-Fund of any minimum balance on the bank account outlined in the product particulars;
 - the completion by you of additional documentation if requested by us;
 - the legislation applicable to insurance companies;
 - all other relevant statutory provisions;
 - any other provisions of these Administrative Terms.
- 5.2 If you instruct us to, we will instruct the sale or encashment of some or all of the investments of your Sub-Fund as selected by you and apply the proceeds of sale or encashment, less any appropriate charge (and the expenses of sale), in the purchase of further investments in accordance with your instructions. The proceeds of any sale or encashment will not be reinvested until such time as cleared monies have been credited to a pooled bank account. Any reinvestment will be subject to these Administrative Terms. Pending reinvestment, any cash proceeds received by us will be credited to the bank account.
- 5.3 We will be entitled not to acquire an investment in accordance with your instructions if:
- your instructions are not given or, if we request it, confirmed to us in writing; or
 - insufficient cleared funds are available in relation to your Sub-Fund; or
 - the amount to be invested would be less than any minimum investment size determined by us from time to time; or
 - in our reasonable opinion, the acquisition of the investment is impossible, unlawful or contrary to any agreement by which we are bound, or to any applicable court order; or
 - we have given the Trustees notice to encash the whole of your Sub-Fund in accordance with these Administrative Terms and in our reasonable opinion it is not possible to complete the purchase of the investment before the date on which the Trustees are required to encash your Sub-Fund; or
 - in our reasonable opinion, the purchase of the investment may impose tax or other costs on any member of the Curtis Banks Group or expose any member of the Curtis Banks Group to liabilities which in each case your Sub-Fund may not be able to meet; or
 - in our reasonable opinion, making or holding the investment would give rise to an unauthorised payment charge and/or a

scheme sanction charge; or

- in our reasonable opinion, making or holding the investment may expose any member of the Curtis Banks Group or their directors or employees or members of their families to threats of or actual violence.

We will tell you and the Trustees if we do not acquire an investment in accordance with this paragraph.

- 5.4 If you have not given us any instructions as to the investment or application of the whole or any part of any monies allocated to your Sub-Fund or if any such instructions cannot be implemented, or pending implementation of any instructions, the relevant monies will be held in the pooled bank account.

- 5.5 We will be entitled not to dispose of an investment in accordance with your instructions if:

- your instructions are not given or, if we request it, confirmed to us in writing; or
- in our reasonable opinion, the disposal of the investment is impossible, unlawful, impracticable or contrary to the terms of any agreement by which we are bound, or to any applicable court order.

We will tell you and the Trustees if we do not dispose of any investment in accordance with this Paragraph 5.5.

- 5.6 We will be entitled to dispose of any investment of your Sub-Fund without consultation with you or your prior agreement:

- if, in our reasonable opinion, continued retention of the investment would be unlawful or would impose tax or other costs on us or your Sub-Fund or expose us or your Sub-Fund to liabilities which in each case your Sub-Fund may not be able to meet; or
- we need to dispose of the investment to meet any fees or charges payable from your Sub-Fund which we may otherwise not be able to meet from your Sub-Fund; or
- if the investment is no longer of a type allowed by the then current product particulars; or
- if disposal of the investment is required by the terms of any applicable agreement, for example a co-ownership agreement; or
- (and if we are so requested by the Trustees) the continued retention of the investment would give rise to an unauthorised payment charge and/or a scheme sanction charge; or
- in order to comply with the terms of a court order.

We will tell you and the Trustees if we dispose of any investment under this Paragraph 5.6.

- 5.7 Neither we nor any other member of the Curtis Banks Group will be responsible for any loss (including loss of profit) in relation to or reduction in value of any investment:

- acquired at your request unless such loss or reduction results from fraud, wilful misconduct, negligence or breach of regulatory duty on the part of any member of the Curtis Banks Group, or the fraud, wilful misconduct, negligence or breach of regulatory duty of any of their employees or agents; or
- not acquired or not disposed of in accordance with our rights under these Administrative Terms;
- disposed of in accordance with these Administrative Terms unless such loss or reduction results from the fraud, wilful misconduct, negligence or breach of regulatory duty of any member of the Curtis Banks Group, or the fraud, wilful misconduct, negligence or breach of regulatory duty of any of their employees or agents; or
- which results from any action or omission of any nature whatsoever by any nominee, banker or other person providing services to any member of the Curtis Banks Group.

- 5.8 Neither we nor any member of the Curtis Banks Group nor the

Trustees will be under any duty to consider, or advise on, the general or specific merits, suitability or appropriateness of any actual or proposed investment purchase or disposal and therefore you do not benefit from the rules on assessing suitability.

6 Investments in property

- 6.1 In Paragraphs 6.1 to 6.78, reference to **we, us, our** or **ourselves** also include references to **SLA Property Company**.
- 6.2 Where **we** are to acquire the whole of a **property**, **we** will be the legal owner of the **property**. Legal ownership may then be transferred to **SLA Property Company** who will be registered as the legal owner at the relevant land registry.
- 6.3 Where **we** are to acquire a partial interest in a **property**, the **nominee/joint title holder** will be the legal owner of the **property** and will be registered as the legal owner at the relevant land registry. The **nominee/joint title holder** will hold our interest in the **property** on trust for **us** under terms set out within an agreement between **us**, the **nominee/joint title holder** and any other party with an interest in the **property**. This agreement will outline the shares in the **property** that each party has and the responsibilities of the **nominee/joint title holder**.

Property acquisition

- 6.4 On receipt of the original of a fully completed *property form* giving details of the **property** and how the proposed purchase or transfer is to be funded, including details of any **syndicated members** and your choice of **third party professionals**, **we** will begin the process of acquiring the **property** (or a partial interest in the **property**).
- 6.5 A **property** (or a partial interest in a **property**) to be acquired from a **connected party** must be acquired at the **market value** that has been advised to **us** by a **valuer** in accordance with Paragraphs 6.59 to 6.60.
- 6.6 **You**, the **Trustees** and any **syndicated members** cannot commit **us** to purchase a **property** at auction unless **we** have completed our due diligence in advance of the auction and **we** have provided our consent. The **lead member** must therefore contact **us** at least 4 weeks in advance of the relevant auction. As **we** are reliant on **third party professionals**, **we** cannot provide any guarantee that all requirements will be satisfied or due diligence completed before the date of the auction or that **we** can complete the purchase within the timeframe required by the auctioneer.
- 6.7 **You**, the **Trustees** and any **syndicated members** cannot commit **us** to a date of exchange or completion of the acquisition. These dates will be determined by **us**. **We** will not be liable for any losses or liabilities arising as a result of failure to meet a timeframe determined by any **client**.
- 6.8 **We** will only exchange contracts (or agree to the exchange of contracts) if:
- we** hold sufficient cleared monies to proceed with the acquisition (including through a loan agreed in accordance with Paragraphs 6.14 to 6.18);
 - a report on title in a form acceptable to **us** is received confirming that:
 - the title to the **property** is good and marketable;

 - the **property** is vacant and the provisions of Paragraphs 6.49 and 6.50 apply;
- a valuation in accordance with Paragraphs 6.59 to 6.62 has been received;
 - all applicable documents including where appropriate:
 - the loan agreement and related documents; and
 - an agreement with the **property manager** on our terms are signed and validly in place (or will be completion);
 - there are no known environmental issues highlighted within the environmental report at the time of acquisition;
 - the **property** can be insured on terms acceptable to **us**;
 - An Asbestos Survey and an Asbestos Register and Management Plan where required have been prepared by a suitably qualified person in accordance with the Control of Asbestos Regulations 2012;
 - a valid energy performance certificate (where relevant) has been received by **us** and the **clients** comply with our requirements at that time for the acquisition of a **property**; and
 - where the **property** is to be VAT elected or transferred as a going concern, **we** have received all of the required information and confirmations from **third party professionals** to enable the transaction to proceed.

- 6.9 Where **we** are to acquire the whole of the **property**, then:
- upon exchange of contracts, **we** will make arrangements for insuring the **property** as set out in Paragraphs 6.64 to 6.68.
 - upon completion **we** will arrange for the title deeds to be held by a **third party professional**.
- 6.10 **We** reserve the right not to proceed with the **property** acquisition at any point in the acquisition process due to the **property** failing to meet our due diligence requirements or if any of the information on the *property form* is found to be materially incorrect.

Joint investors

- 6.11 Upon completion of our acquisition of a **property** (or of our partial interest in a **property**) to be held on behalf of more than one **client**, **you** agree to complete a **group investment agreement** with your **syndicated members** confirming the share (and where appropriate, the share of any loan) attributed to each **client's** pension.
- 6.12 **You** will nominate a **lead member** as a point of contact for **us**. **You** agree that any decision made by the **lead member** will be binding on **you** and that any correspondence **we** send to the **lead member** shall be considered as having been sent to **you**.
- 6.13 The **lead member** can be changed by all **syndicated members** giving written confirmation to **us**. Where **we** consider that the **lead member** is not fulfilling this role or is unable to fulfil this role, **we** will correspond with all **clients** and a replacement **lead member** must be appointed. Where agreement between the **clients** cannot be reached, **we** reserve the right to dispose of the **property** in accordance with Paragraphs 6.76 to 6.78.

Borrowing

6.14 Borrowing will only be permitted for sums which are within the limits set out in section 182 of the Finance Act 2004. Borrowing is only allowed for the purpose of **property acquisition or building works** or the refinancing of existing borrowing.*

* You can borrow up to 50% of the net fund value of your Aviva Pension Portfolio calculated at the time of the borrowing. This includes any existing borrowing. Your Sub-Fund can't borrow from another client's pension.

6.15 The borrowing must:

- a. be arranged by:
 - i. us (or SLA Property Company) where we acquire the property; or
 - ii. the nominee in its name where we acquire a part interest in the property; and
 - iii. the joint title holders where we acquire a part interest in the property; and
- b. be from a UK commercial high street lender on terms and servicing acceptable to us including our liability under the loan for your Sub-Fund's share of the loan being limited to the value of the assets of your Sub-Fund;* and
- c. borrowing from a connected party to the SIPP is permitted for the purpose of a short term VAT loan, not to exceed seven months. A pro forma loan agreement must be utilised, which details our requirements. Evidence must be provided to demonstrate the interest payable is reflective of current high street lender terms.

* The property may be repossessed by the lender if you or your syndicated members do not make money available to keep up repayments on the loan. The lender may be entitled to change fees for missed or late payments.

6.16 Where the property is to be held on behalf of more than one client, each client's share of the loan payments will be paid in proportion to the client's share of the loan.

6.17 We reserve the right to refuse to arrange a loan if:

- a. we consider that the rental income from your Sub-Fund's share of the property is insufficient to cover ongoing costs; or
- b. the property is vacant and a float acceptable to us is not put in place.

6.18 For properties owned by us, we will require your written request and agreement from the lender if you wish to pay a lump sum towards or redeem the loan or your Sub-Fund's share of the loan. Where a property is held on behalf of more than one client and a part repayment is requested our written agreement is also required.*

* We have a fact sheet on 'Lump sum loan repayments and loan redemptions'. Please ask us or your adviser if you would like a copy.

Third party professionals

6.19 After the acquisition of the property, for subsequent transactions and day-to-day management relating to the property, the lead member will be required to specify the clients' choice of third party professionals in writing to us. We reserve the right to select a third party professional if we have not received the clients' choice within a reasonable period of time from our request.

6.20 We must instruct the third party professional as we will be the third party professional's client.

6.21 Sufficient money must be available in the property pooled bank account (as recorded in your property bank account records) to cover your Sub-Fund's share of the costs of the third party professionals before we will instruct them.

6.22 We cannot guarantee the service of third party professionals. If we or you are dissatisfied with the service provided, we may make a claim or complaint as appropriate.

6.23 We require the lead member's written instructions to enable us to replace the third party professional.

6.24 We reserve the right to:

- a. in exceptional circumstances appoint a third party professional without your or your syndicated members' approval of:
 - i. the third party professional, or
 - ii. the third party professional's costs;
- b. refuse to appoint a third party professional of you or your syndicated members' choice:
 - i. that is not appropriately qualified; or
 - ii. due to any experience of poor past performance of that third party professional;
- c. terminate the appointment of a third party professional where the service provided to us is not adequately protecting our interest and in such instances we will request an alternative choice of third party professional from the lead member.

6.25 We reserve the right not to attend any meetings, mediation, hearings or conferences in relation to the management of, or disputes relating to, the property. We may require that a third party professional is appointed to attend on our behalf.

Property management - properties owned by us

6.26 Paragraphs 6.27 to 6.33 will apply where the property is owned by us.

6.27 For a property owned by us:
