

## International Bank Account form

For use with Your Future SIPP, MasterSIPP, SimSIPP, SmartSIPP and Suffolk Life SIPP.

Curtis Banks will make income payments to UK bank accounts as standard. Whilst we understand in some circumstances this is not always possible, we will only make payment to a non UK bank account when you do not reside in the UK and have no access to a UK bank account.

Please complete this form and return to Curtis Banks, 153 Princes Street, Ipswich, Suffolk, IP1 1QJ.

Alternatively, you can send it via a secure message.

### 3 Personal bank account details to receive income payments (continued)

To make a payment to a non UK bank account, we will charge an international payment fee. Please refer to the relevant Schedule of Fees for your product, which can be found on our website [www.curtsbanks.co.uk/literature](http://www.curtsbanks.co.uk/literature).

Payments to overseas bank accounts may attract additional fees charged by the intermediary and receiving banks. These fees will be deducted from the payment and Curtis Banks have no prior knowledge of any additional charges you may incur.

We are only able to make a maximum of 2 international payments per tax year.

In order for us to process a payment to an international bank account, please submit a valid certified bank statement and return this alongside the International Bank Account Form.

Regular payments will normally be made on the last business day of the month. Where the whole crystallised fund is to be paid out as pension income in a single payment, the payment will be made when the plan has been reconciled. This will incur a fee in line with the relevant Schedule of Fees.

We require 10 working days' notice to establish or amend income payments.

We also need sufficient cleared funds in your SIPP bank account ten business days prior to each payment date as otherwise the payment will not be made. It is your responsibility to ensure sufficient funds are available in the SIPP bank account.

**Please note:** if you haven't previously taken benefits from your SIPP, we will not have a tax code for you. If you have received a P45 from your previous employment and it's dated in the same tax year in which you are commencing income, please forward parts 2 and 3 of the P45 to us along with this form. We will check that the P45 can be used and, where permitted, we will apply the tax code from your P45 when we process your first income payment; this code has to be applied on a month 1 basis.

If we have no tax code and no P45, HMRC rules state that we must apply an emergency tax code on a month 1 basis until HMRC issues us with your tax code, which we will then be able to apply against future payments. The emergency tax code may result in you initially paying too much, or too little, tax to HMRC.

### 4 Client's declaration

Before signing the declaration, you should carefully read the following for your own benefit and protection:

- This declaration;
- Key Features;
- Schedule of Fees;
- Terms and Conditions

#### Declaration:

- I confirm my understanding of the above and that payment to an overseas bank account is an exception made by Curtis Banks and is subject to the additional charges detailed in Section 3.
- I declare to the best of my knowledge and belief the statements made in all sections of this international income payment request form (whether in my handwriting or not) are correct and complete.
- I accept that if I receive income from a flexi-access drawdown arrangement, I will trigger the Money Purchase Annual Allowance, if I have not already done so.
- I acknowledge that by taking any income under flexi-access drawdown, contributions to all of my money purchase pensions will be subject to the Money Purchase Annual Allowance, if they are not already.
- I understand that if my plan is in capped drawdown and an income limit review is outstanding, I'm unable to receive any income payments until the income limit review has been completed.
- I understand that when I begin to take income, my payments may be subject to an emergency tax code. This may result paying too much, or too little tax to HMRC. I acknowledge that Curtis Banks can only accept tax code notification from HMRC directly, or from a valid P45.
- While Curtis Banks will request funds in a timely manner, I understand that Curtis Banks is not responsible for the timely receipt of funds from my investment provider.
