### 2 Client details

Scheme Member Name

Employer Name

Total contribution	£	Employer	Personal (Gross)
--------------------	---	----------	------------------

There is an Annual Allowance for pension inputs of £60,000 during the current tax year. Further information in respect of carry forward is set out in our Contributions guidance notes which can be found on our website [www.curtisbanks.co.uk](https://www.curtisbanks.co.uk).

Under the current regulations, it is possible to carry forward any unused Annual Allowance for up to 3 years and pay it as a contribution in a later year. Thus, for the tax year 2025/26, any unused Annual Allowance for 2022/23, 2023/24 & 2024/25 could potentially be carried forward and paid as a pension contribution. The annual allowance limit for 2022/23 was £40,000 rising to £60,000 for 2023/24 and 2024/25.

Please note: If the Scheme Member named above is subject to the Money Purchase Annual Allowance (MPAA), carry forward cannot be used to make higher contributions than the MPAA amount, currently £10,000, to any of the Scheme Member's money purchase pensions. If the Scheme Member is subject to the MPAA, this form should not be used.

You should also consider whether the Scheme Member has been subject to the tapered Annual Allowance in the current or previous tax years, as this will impact the amount of Annual Allowance that can be carried forward.

When paying a carried forward pension contribution into your SSAS, you will need to confirm the total amount of Annual Allowance which you have already used up for previous tax years across all of your pension arrangements. We will rely upon this declaration of the amount of any unused Annual Allowance which is still available. If you are unsure as to how much Annual Allowance you have available then you should contact your adviser in the first instance.

### 3 Declaration

To be signed on behalf of the Employer or by the person who is making the contribution.

Curtis Banks Ltd will rely upon the contents of this Declaration for HMRC reporting purposes and we recommend that you read this form in conjunction with our company's Contributions guidance notes. Please also note that Curtis Banks Ltd is not able to provide you with advice and we recommend therefore that the Scheme Member(s) contact their qualified adviser for tax and/or independent financial advice.

- I/we confirm that the amount of Annual Allowance which has already been used by the above Scheme Member in respect of all of their pension arrangements is as follows:

Tax year 2022/23	£
Tax year 2023/24	£
Tax year 2024/25	£
Tax year 2025/26	£

NB: If a carried forward allowance has already been used in any of the above years then please provide full details.

- I/we understand that, in the event of the Scheme Member having insufficient unused Annual Allowance to support the specified pension contribution during the current year, HMRC may withhold part or all of the tax relief in respect of the employer's contribution, or, in the case of a net personal contribution paid via Relief at Source ('RAS'), HMRC may also determine that no tax relief will be available on the excess amount above the Annual Allowance.
- I/we confirm that we have read and understood the Curtis Banks guidance notes on Contributions.

I confirm the Scheme Member named in this form is not subject to the Money Purchase Annual Allowance.

I confirm the Scheme Member named in this form has not been subject to the tapered Annual Allowance in the current tax year or in any of the tax years listed above.
