3 Important points to consider

Please ensure you have read and understood the important points below, before completing the rest of the form. If you have any queries please contact your adviser or the Transfer Out team directly.

Please note

Please ensure you have read and understood the pension scam information on pages 2 to 5.

- Investment scams are often sophisticated and difficult to spot. If you have any concerns, we recommend you contact the FCA immediately. The contact details for the FCA are below.
- Before we start a pension transfer, we are required to check that the scheme we're transferring to meets HMRC requirements for the transfer to be classed as a recognised pension transfer. Completing these checks will increase the time taken to complete your transfer and your transfer will remain on hold during this time. Your fund will continue to be invested in your Curtis Banks plan. These checks are in place to help protect you and your pension fund.
- Transfer out fees are payable for QROPS transfers. Please refer to the Schedule of Fees for your plan which is available on our website www.curtisbanks.co.uk or on request from us.
- Any fees charged by third parties to sell investments will be taken directly from either the investment account or SIPP bank account.
- You must check and satisfy yourself that your chosen new scheme will be able to accommodate and honour your protected pension retirement age, if you have one.

How to avoid investment and pension scams

- 1 Reject unexpected offers**
Scammers usually cold call, but contact can also come by email, post, word of mouth or at a seminar. If you've been offered an investment out of the blue, chances are it's a high risk investment or a scam.
- 2 Check the FCA Warning List**
Use the FCA Warning List to check the risks of a potential investment – you can also search to see if the firm is known to be operating without our authorisation.
- 3 Get impartial advice**
Get impartial advice before investing – don't use an adviser from the firm that contacted you.

If you're suspicious, report it

You can report the firm or scam to us by contacting our **Consumer Helpline** on **0800 111 6768** or using our reporting form using the link below.

Pension Scams Action Group

United action against pension scams

Steps to stay **scam safe**

Scammers appear professional and it's becoming increasingly harder to spot the difference between something that's credible and something that's fraudulent.

The Pension Scams Action Group has put together a checklist to go through if you're ever approached about your pension.

Your pension is your future – keep it safe

**STEP
1**

Is the offer unexpected?

Legitimate pension providers are highly unlikely to contact you out of the blue about your pension. Be wary of free pension review offers and/or promises of high/guaranteed returns.

**STEP
2**

Have you checked who you're dealing with?

The Financial Conduct Authority's (FCA) website has a Financial Services Register you can check to make sure that anyone offering you advice or services is authorised to do so.

A firm pretending to be an authorised firm is known as a 'clone firm' and may have a clone website that looks exactly like the real deal. **Tip:** double check their contact details against the register and see if they match. Always ensure a firm is FCA- authorised or you won't be protected by the Financial Ombudsman Service or Financial Services Compensation Scheme if something goes wrong.

Website: register.fca.org.uk Phone: 0800 111 67 68

**STEP
3**

Stop and think – are you being rushed or pressured?

Pressure to act quickly or you will miss out is often a warning sign. Take your time to make all the checks you need and remember, if it sounds too good to be true, it probably is.

**STEP
4**

Should you seek impartial advice or guidance?

Financial advisers

If you can, it's a good idea to invest in speaking to a financial adviser. Often large amounts of money are at stake and they will be able to help you make the right decision for you. **Tip:** check any adviser you choose to use is regulated by the FCA.

5 Overseas transfer information

Before transferring funds from your plan to a Qualifying Registered Overseas Pension Scheme (QROPS), we are required to determine what you have remaining of the Overseas Transfer Allowance (OTA).

Please note, if you had a Benefit Crystallisation Event (BCE) prior to 5 April 2024, which used some lifetime allowance and where you did not receive a tax-free lump sum of 25%, you may be entitled to a transitional tax-free amount certificate.

A transitional tax-free amount certificate will reduce the allowances used by your previous benefits where a 25% tax-free lump sum was not taken. Where lifetime allowance has been used previously, we are required to assume a 25% tax-free lump sum was paid and will reduce the allowances accordingly.

We recommend you discuss this with an adviser before you contact a scheme administrator as there are situations where the provision of a certificate might lead to a worse outcome for you.

Further details on allowances can be found on our website under the relevant section for advisers and clients.

We will not be able to process your transfer unless this section is complete and the requested documents received.

5.1 Previous overseas transfers

Have you transferred any funds to a Qualifying Recognised Overseas Pension Scheme (QROPS), after 5 April 2024?

Have you taken any retirement benefits after 5 April 2024?

If this is your first drawdown request after 5 April 2024, you may consider applying for a transitional tax-free amount certificate. We recommend you discuss whether this would be in your interests with a financial adviser before applying. Please note, you will be unable to apply for a transitional tax-free amount certificate after your first designation has been completed.

If you wish to proceed with your request without a transitional tax-free amount certificate, please tick this box.

If you wish to apply for a transitional tax-free amount certificate you will need to contact one of your pension schemes to complete this. If you would like Curtis Banks to do this, please contact us to discuss our requirements and the evidence required.

5 Overseas transfer information (continued)

5.6 Overseas transfer allowance charge and tax implications of an overseas transfer

When you transfer your UK pension to a Qualifying Recognised Pension Scheme (QROPS), you may have to pay a 25% Overseas Transfer Charge. This charge applies unless your transfer meets one of the exemptions set out in legislation. Common exemptions include where you and the QROPS are resident in the same country, or where the QROPS is an occupational scheme and you are an employee of a sponsoring employer of the scheme.

There is also a limit on how much you can transfer overseas without paying an additional tax charge. This is called the Overseas Transfer Allowance and is set by HMRC. If the total value of your transfers to QROPS (including this transfer and any you have made before) exceeds your personal allowance, the amount over your allowance is taxed at 25%.

We recommend that you speak to a financial adviser about the tax implications of transferring your pension benefits to a QROPS. In particular, it's important to find out whether there are any limits or thresholds imposed by the country to which you're considering transferring your benefits, as these may have significant tax implications and may affect your decision to continue with the transfer.

Please tick one of the boxes below, to help us check whether an Overseas Transfer Charge will apply to your transfer:

- 1 I am a tax resident in the country where the QROPS is based. [Please complete sections 5.7.](#)
- 2 The QROPS is an occupational pension scheme and I am employed by a sponsoring employer under that scheme. [Please complete sections 5.7 and 5.8.](#)
- 3 The QROPS is an overseas public service scheme and I am employed by an employer that participates in that scheme. [Please complete sections 5.7 and 5.8.](#)
- 4 The QROPS is an international organisation's pension scheme and I am employed by that international organisation. [Please complete sections 5.7 and 5.8.](#)
- 5 None of the above apply. If none of the conditions listed above are met, HMRC's 25% Overseas Transfer Charge will apply. If you have ticked option 5, we will contact you to discuss your transfer.

5.7 Country of residence

If you ticked option 1, 2, 3 or 4 above, please provide the following details:

7 Receiving guidance or advice

The FCA requires us to tell you about a service called MoneyHelper.

7.1 MoneyHelper guidance

MoneyHelper is a free, impartial service from the Government, which offers guidance to help you make an informed decision about what to do with your pension savings. This includes providing the different options available to you, in order to access your pension savings. Pensions guidance is delivered at an appointment with an independent pensions specialist, which you can choose to book yourself, or alternatively Curtis Banks can arrange this on your behalf. You can also receive advice from a regulated financial adviser. Advisers may charge you for their services.

Please ensure you have read the MoneyHelper privacy policy, which is available on their website, www.moneyhelper.org.uk/en/about-us/privacy-notice.

You can book online at www.moneyhelper.org.uk/pensionwise or call MoneyHelper on 0800 138 3944. Alternatively call us using the contact details on page 1 and we'll book an appointment for you.

Please note that we are unable to arrange appointments with MoneyHelper for anyone below the age of 50, so these appointments would need to be arranged by you directly.

7.2 Regulated financial advice

Before making a decision about taking your pension benefits you should also get advice from a financial adviser. If you don't have a financial adviser, you can visit www.moneyhelper.org.uk/choosing-a-financial-adviser to find one.

The regulations require you to confirm the following options before we can proceed with your application.

If you plan to take guidance and/or advice you should do this before completing this form.

Have you received guidance from MoneyHelper relating to this transaction in the last 12 months?

Yes Date guidance received

No. If you don't want to use MoneyHelper you need to opt-out. Please tick the relevant option below.

I've received regulated financial advice related to this transaction within the last 12 months.

Date advice received

[Please go to section 8.](#)

If you've already received guidance or regulated financial advice, you may want to do this again if there's been any significant change to your pension fund or personal circumstances.

8 Risk warnings

Please note: this section should be completed by:

- clients aged 50 or over who are transferring uncrystallised funds and taking benefits within 3 months of the transfer
- all drawdown transfers

Please answer the following question.

Prior to applying to transfer benefits have you taken advice in relation to the transfer from an authorised adviser?

Yes [please go to section 9.](#)

No* [please answer the below questions to highlight the risks.](#)

* Having considered the matter, I will not be seeking financial advice and accordingly I wish to deal with Curtis Banks on an execution-only basis on making the application to transfer benefits. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing and transferring your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your request until we have received this signed declaration. We can accept copies by secure message, or by post to the address on page 1.

[Please note that this exercise is only intended to highlight potential risks - your answers won't affect your options.](#)

Guaranteed income

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

Yes No/unsure

Tax

Aside from your tax-free lump sum entitlement, any money you take from your pension is taxed as income. It is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax we deduct from any payments is not the final amount due: you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of the option you've chosen?

Yes No/unsure

Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

Yes No/unsure

Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

Yes No/unsure

Inflation

When planning your long term income needs you need to take into account future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

Yes No

Debt

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

Yes No

Benefits

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?

Yes No

Ongoing income

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

Yes/unsure No

Contributions

The annual allowance is the maximum amount you, or anyone on your behalf, can contribute to your pensions each year without incurring a tax charge. It is currently £60,000. If you take income whilst in flexi-access drawdown, your annual allowance for 'money purchase' pensions, such as your SIPP, will be reduced to £10,000. Are you, or anyone on your behalf, likely to contribute more than £10,000 to money purchase pensions in the future?

Yes/unsure No

Further investment

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

Yes/not applicable No/unsure

Inheritance tax

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is held outside your estate and is highly unlikely to be subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

Yes No/unsure

8 Risk warnings (continued)

Shopping around

There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?

Yes

No/unsure

Beneficiaries

When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?

Yes

No/unsure

- I understand that my transfer will be sent by Swift, unless I specifically request otherwise and the receiving scheme is able to accept the alternative method.

- I understand and agree that Curtis Banks will need to provide instructions to relevant investment managers/providers to sell investments in the above Curtis Banks plan(s) in order to provide sufficient cash to meet my chosen transfer value, and that these instructions will be submitted by letter, or at Curtis Banks' discretion, such other method as the investment manager/provider may allow. I understand that Curtis Banks is not responsible for any delay in the sale of investments by the investment manager/provider.
- I agree that, should I require existing assets in my Curtis Banks plan to be sold at a specific time or for a specific value, I will notify Curtis Banks using section 4.2 this form and will contact my investment manager to arrange the disinvestment myself.
- I understand that the ability to sell some assets, such as those held in fixed term bank accounts, may be limited and as a result the transfer of these assets may be delayed.
- I understand that selling my holdings prior to transfer will incur transaction fees as stated in the Schedule of Fees for my product, which are payable from my fund.
- I agree the transfer shall be sufficient to end any of my claims to pension benefits from the portion of the plan that is transferred.
- I understand that my transfer will only be completed if my chosen receiving scheme is capable of accepting the transfer and the receiving scheme provider has properly completed this form.
- I declare that to the best of my knowledge and belief, the statements made on this form and its attachments (whether in my handwriting or not) are correct and complete.
- I promise to take responsibility for any losses or expense that result from any untrue, misleading or inaccurate information that is given by me or on my behalf, on this form, or in respect of the transfer.
- If my Curtis Banks plan is to be fully closed, I understand that if any further values are received by my SIPP, after the transfer to my chosen receiving scheme has been made, these will be collected in a non-interest bearing account and transferred separately, six months after the initial transfer. I accept that, should such a payment be required, Curtis Banks will take a charge from the value to be transferred to the receiving scheme. This is detailed on the schedule of fees, which is available from the website www.curtisbanks.co.uk.
- I authorise Curtis Banks to request monies back from the receiving scheme, to cover any genuine costs that are incurred by my SIPP after my transfer out has been completed.
- Where applicable, I authorise Curtis Banks to provide the necessary details to MoneyHelper.

QROPS transfers

- I have supplied all the necessary information and documentation to enable Curtis Banks to check if I have exceeded the Overseas Transfer Allowance.
- I authorise you to deduct any tax charges from my plan(s) (including any applicable Overseas Transfer Allowance excess charge or overseas tax charge) prior to the transfer being completed.
- I am aware that a recognised transfer may give rise to either the Overseas Transfer Allowance excess charge or an overseas transfer charge. I understand the circumstances in which either charge may not be applied from the outset of the transfer, and the conditions that must continue to be met so that the charge is not applied retrospectively.

Pension Liberation

- I have read and understood the Pensions Regulator's leaflet about pension liberation on pages 2 and 3 of this discharge form and I am happy to proceed with the transfer.
- I understand that, if the receiving scheme provides access to my pension benefits earlier than is permitted under HMRC guidance and legislation (normally before age 55), there will be significant tax charges; and there may also be a risk that the receiving scheme charges significant fees.

9 Client declaration (continued)

- I agree and acknowledge that:
 - Curtis Banks will undertake appropriate checks on the receiving scheme, however, I am not permitted to rely in any way on this and understand I am responsible for undertaking my own checks on the receiving scheme.
 - Should the receiving scheme provide access to my pension benefits earlier than permitted, I will be responsible for all tax charges and penalties applied. This includes authority for Curtis Banks to recover any charges or penalties applied to them, from me. I will have no recourse to Curtis Banks for these charges or penalties.
 - Curtis Banks may delay making the transfer until it has satisfied itself that:
 - >The receiving scheme is registered with HMRC;
 - >The transfer would be a recognised transfer for the purposes of the Finance Act 2004; and
 - >The transfer meets the conditions of The Occupational and Personal Pension Schemes (Conditions for Transfer) Regulations 2021.

Curtis Banks is entitled to reject and cancel the transfer in the event that it is unable to satisfy itself of the above.
