MoneyHelper is a free, impartial service from the Government, which offers guidance to help you make an informed decision about what to do with your pension savings. This includes providing the different options available to you, in order to access your pension savings. Pensions guidance is delivered at an appointment with an independent specialist, which you can choose to book yourself, or alternatively Curtis Banks can arrange this on your behalf. You can also receive advice from a regulated financial adviser. Advisers may charge you for their services.

You can book online at www.moneyhelper.org.uk/pensionwise or call MoneyHelper on 0800 138 3944. Alternatively call us using the contact details above and we'll book an appointment for you.

Please note that we are unable to arrange appointments with MoneyHelper for anyone below the age of 50, so these appointments would need to be arranged by you directly.

We strongly advise you to seek financial advice before proceeding, especially if you're unsure how your current or future needs may influence your decision.

7 Risk warnings

Please note: this section should be completed by:

- clients aged 50 or over who are transferring in uncrystallised funds and taking benefits within 3 months of the transfer
- all drawdown transfers
- capped drawdown to flexi-access drawdown switches

Please answer the following question.

Prior to applying to transfer benefits have you taken advice in relation to the transfer from an authorised adviser?

Yes [please go to section 8.](#)

No* [please answer the below questions to highlight the risks of transfers and flexi-access drawdown.](#)

* Having considered the matter, I will not be seeking financial advice and accordingly I wish to deal with Curtis Banks on an execution-only basis on making the application to transfer benefits. As an execution-only client I confirm that I have received all relevant key features documents, including personal illustration(s).

7 Risk warnings (continued)

The Financial Conduct Authority requires us to make sure you have considered the potential risks of accessing your pension benefits. We are required to ask questions about your circumstances, so that we can provide warnings about the risks which might apply to you.

Once we have received your answers to the below questions, we will send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your request until we have received this signed declaration. We can accept copies by secure message or by post to the contact details on page 1.

Please note that this exercise is only intended to highlight potential risks - your answers won't affect your options.

Guaranteed income (only needed for capped drawdown to flexi-access drawdown switches)

Annuities offer a guaranteed income, but in drawdown there is no guarantee about the amount of income you might be able to take in the future. This is because the available income depends on your fund value, which is affected by many factors, such as investment performance. Are you comfortable with there being no guarantee of future income in drawdown?

Yes No/unsure

Tax (not required for switches from capped drawdown to flexi-access drawdown)

Aside from your tax-free lump sum entitlement, any money you take from your pension is taxed as income. It is added to any other taxable income you receive during the tax year, and might push you into a higher tax bracket. It is also possible that the tax we deduct from any payments is not the final amount due: you may need to pay additional tax at the end of the year. Are you confident that you fully understand the tax implications of the option you've chosen?

Yes No/unsure

Investment scams

Some investment scams encourage people to withdraw money from their pensions in order to invest elsewhere. For example, they may offer unusually high rates of return, special offers, or there may be pressure to act quickly. The schemes can appear very genuine, but you risk losing some or all of your money. Are you aware of how to protect yourself from investment scams?

Yes No/unsure

Health

Annuities provide a guaranteed income for life and although the return may appear low, if your life expectancy is reduced because of poor health you may qualify for enhanced annuities which pay better rates. Are there aspects of your health or lifestyle which could make you consider whether you are potentially eligible for a better value annuity?

Yes No/unsure

Inflation

When planning your long term income needs you need to take into account of future inflation, which will erode the buying power of your money. For example, if inflation is 2% p.a., £1 today will be worth 82p in 10 years time. If you are planning to take a level of income or a large lump sum from your pension, do you understand that inflation will erode the value of what will be available for you in the future?

Yes No

Shopping around

There are several ways in which you can access your pension savings. Different products, with different options and charges, are available from various providers. We recommend that you research the options available to you. Are you happy that you've researched your options and have made an informed choice?

Yes No/unsure

Debt

Are you aware that money taken from your pension could be available to creditors in respect of any unpaid debts you might have?

Yes No

Benefits

Are you aware that taking money from your pension could affect your entitlement to means-tested benefits?

Yes No

Ongoing income

Any money taken from your pension now will reduce the amount that may be available to you in the future. Are you expecting this pension to provide you with income for the rest of your life?

Yes/unsure No

Contributions

The annual allowance is the maximum amount you, or anyone on your behalf, can contribute to your pensions each year without incurring a tax charge. It is currently £60,000. If you take income whilst in flexi-access drawdown, your annual allowance for 'money purchase' pensions, such as your SIPP, will be reduced to £10,000. Are you, or anyone on your behalf, likely to contribute more than £10,000 to money purchase pensions in the future?

Yes/unsure No

Further investment

If you withdraw money from your pension to invest elsewhere, the charges on the new investments may differ from the charges applicable to your pension. The new investments are also likely to be subject to income tax and capital gains tax, whereas investments in your pension are exempt from these charges. If you plan to invest your money elsewhere, do you understand the difference in charges and how this could affect the value?

Yes/not applicable No/unsure

Inheritance tax (not required for switches from capped drawdown to flexi-access drawdown)

Money taken from your pension becomes part of your estate, which will be assessed for inheritance tax purposes on your death. Money in your pension is held outside your estate and is highly unlikely to be subject to inheritance tax. Have you considered the inheritance tax implications of taking money from your pension?

Yes No/unsure

Beneficiaries

When you die, the remaining money in your pension can pass to beneficiaries, such as a spouse or other family members. Any money you take from your pension will reduce the amount which may be available to them on your death. Are you relying on this pension to provide for your beneficiaries when you die?

Yes No/unsure

8 Investment Pathways

This section is to be completed for all transfers that contain crystallised funds. If you are only transferring uncrystallised funds, please skip to section 9.

The Financial Conduct Authority requires us to make sure you have considered the potential risks of holding more than half of your plan in cash and/or cash like assets. Examples of cash like assets are funds which are held in a current or deposit account and certain Government bonds.

We are required to ask questions about your investment intentions, so that we can provide warnings about the risks which might apply to you. Once we have received your answers to the below questions, if required, we may send you a statement highlighting the potential risks. If you still wish to proceed, you will need to sign and return the declaration on the statement, to confirm that you've read and understand the risk warnings and wish to proceed.

We will not be able to process your transfer in request until we have received this signed declaration.

Please answer the following question.

Prior to applying to transfer benefits in drawdown have you received a personal recommendation from an authorised adviser in relation to how to invest the funds in your plan?

Yes [please go to section 9.](#)

No [please answer the below question in relation to the investments in your plan.](#)

Investment Pathways is a process defined by the Financial Conduct Authority to assist individuals in selecting investments for their drawdown funds. To learn more about how Investment Pathways could work for you, you can use the [Investment Pathways Comparison Tool](#) hosted by MoneyHelper at www.moneyhelper.org.uk. This guidance aims to make you aware of the drawdown choices you can make, and how your investment decisions can be tailored to fit with your financial goals. Alternatively, you can telephone 0800 011 3797.

Please select one of the below 3 options to confirm how you wish to select the investments for your plan:

Option 1 Use Investment Pathways

Where you have selected option 1, please select one of the below Investment Pathway options that corresponds most closely to your current intentions:

I have no plans to touch my money in the next 5 years

I plan to use my money to set up a guaranteed income (annuity) within the next 5 years

I plan to start taking my money as a long-term income within the next 5 years

I plan to take out all my money within the next 5 years.

Option 2 Select investments without using the Investment Pathways

Option 3 Remain invested within your current investments in your existing plan, if you have one

Please note: Curtis Banks does not offer Investment Pathways, so we will be unable to proceed with your flexi access drawdown application if you have selected option 1. In this situation you may benefit from shopping around to find an alternative provider that offers the investment pathway option you wish to use. MoneyHelper is available to assist you with shopping around for pathway investments. MoneyHelper's services can be accessed using the links above. We recommend that you discuss your options and your personal circumstances with a financial adviser. If you do not have a financial adviser, you can visit the MoneyHelper website www.moneyhelper.org.uk, or you can telephone 0800 011 3797.

[Please continue to section 9.](#)
