## Schedule of Fees for the Your Future SIPP

This schedule sets out the fees charged by Curtis Banks for setting up and operating the SIPP. Its purpose is to enable you to be clear about the costs you may incur for the services you require, and how they compare with the costs of other pension products. Examples of how fees are charged are shown on pages 6 and 7. You should also refer to the Your Future SIPP Key Features, Terms and Conditions and Schedule of Allowable Investments, as well as your Personal Illustration, for further information.

There are simple standard fees for all the basic work in setting up and operating the SIPP, and there are additional fees for the main items of extra work which may apply at some stage. By looking at the standard and additional fees listed below, you should be able to form a clear picture of the costs of Your Future SIPP which will meet your needs, and be able to compare costs with other pension products.

Fees will be debited directly from your SIPP's bank account or the property bank account as and when they fall due. VAT is added to all fees except where otherwise stated, and all fees may be increased annually in line with the Index of Average Weekly Earnings.

Our active management of customer cash means we can credit our customers with a competitive rate of interest. We retain some of what's earned so we can keep our charges low, as well as investing in our technology and propositions and in providing higher service levels.

Our aim is to deliver excellent financial outcomes for our customers, and ultimately help make their retirement more rewarding.

Details on our sharing policy are displayed on our website at [www.curtisbanks.co.uk/bank-interest](http://www.curtisbanks.co.uk/bank-interest) along with the actual rates applied to customer accounts, and the level of cash interest rates retained is shown on client illustrations.

## General Notes

### How does VAT apply to fees?

Plans are written under a trust arrangement and therefore the fees are liable to VAT at the standard rate. Insurance arrangements are, however, exempt from VAT, and as commercial property is held through a self-invested insurance policy no VAT will apply. We will calculate all the VAT liabilities and collect these from your SIPP as appropriate.

### How do annual fees work for transactions part way through a year?

If you switch from using our Investment Partners only to our full range of investment options part way through the year, we will charge the higher annual fee for that year, and for each year thereafter.

If you become an unadvised client or buy a specialist investment or property midway through the year, we'll charge the full higher annual fee and the difference in the fee amount is not pro-rated for the next anniversary.

We will not refund (in part or in full) any fees that have already been charged:

- on payment of the total remaining fund through flexi-access drawdown or UFPLS; or
- when a transfer out is initiated.

### What do you do if you receive additional money following a transfer out?

We may receive dividends and other money after the transfer has completed. We will amalgamate these periodically after your plan is closed and forward them to the receiving scheme (less a fee when transferring to a ROPS). If our fee is more than the money received, we will keep the money.

### What is a specialist investment?

Please refer to page 5 of the 'Your Future SIPP' Schedule of Allowable Investments.

### Who are your Investment Partners?

Please refer to our website, [www.curtisbanks.co.uk](http://www.curtisbanks.co.uk).

## General Notes (continued)

### Do your fees include the investment firm's fees?

No, our investment transaction fees relate to the recording and reconciling of investment transactions by us and do not include your investment firm's fees and charges. You should ask your adviser for a copy of your investment firm's documentation including their charges. This will be between you and your investment firm.

### Are there any additional fees?

We reserve the right to charge for additional services on a time-cost basis relevant to the expertise and seniority of our staff involved. We will either provide an estimate of the charge or the basis on which it will be calculated for your acceptance before the work is carried out.

### Do you receive any other income in relation to my plan?

We will make arrangements for insuring property held for your plan on our block policy. If any income is earned by us in respect of such arrangements, we will retain it. In certain circumstances we may also receive income from investment transactions and the holding of investments by an investment firm (including those on the Cofunds platform). In relation to investments held on the Cofunds platform this is in the form of an annual flat monetary payment from Cofunds covering all customers using the integrated services between Curtis Banks and Cofunds. Further details are available on request. We will inform you before we receive income from another investment firm you have chosen for Your Future SIPP.

### SIPP bank accounts

The current interest rate is published on our website: [www.curtisbanks.co.uk](http://www.curtisbanks.co.uk). Any changes to this interest rate will be published at least 30 days in advance.

Interest will be paid gross and credited monthly.

Any additional interest earned on the SIPP bank account will be retained by us.

### When are fees payable?

Annual fees are payable in advance. All other fees are taken on completion of the event.

### Is there anything else I should know?

All expenses, charges and outgoings whether in respect of the investments contained in your plan (including the costs of purchase, sale, management, maintenance and valuation of freehold and leasehold properties, if any, and other investments) or other expenses however incurred shall be charged to your plan.

### Accessing our services

If you experience difficulties accessing any of our services due to personal circumstances, we may be able to make some adjustments to help you. Please contact our SIPP Support Team on 0370 414 7000 or [sippsupportteam@curtisbanks.co.uk](mailto:sippsupportteam@curtisbanks.co.uk) to discuss any support adjustments that may be available to you.

## Examples of Fees

### 1 Getting started - a new SIPP with our Investment Partners

Your adviser recommends that you set up a Your Future SIPP and transfer in your existing pension fund. The SIPP is set up online and the SIPP bank account opened. The adviser has agreed with you that, when the existing funds are received in the SIPP bank account, they will be moved into a portfolio with one of our Investment Partners.

Because the SIPP consists of only the bank account and the investment portfolio with our Investment Partners only, it qualifies for our reduced annual fee of £418.

The fees we will deduct from your SIPP bank account are:

#### At the outset

Establishment fee (online application)	nil
Cash transfer in fee	nil
First annual fee	£418
<b>TOTAL</b>	<b>£418*</b>

#### Annually from the first anniversary

Annual fee	£418 p.a.*
------------	------------

There will also be charges for your adviser and the investment manager. Your adviser will agree these with you.

### 2 Taking benefits

After several years you decide to draw benefits from your SIPP. You take the maximum tax-free lump sum and flexi-access drawdown.

The fees we will deduct from your SIPP bank account are:

#### When you take benefits

Payment of PCLS	£156
Annual fee for payment of pension/lump sums in excess of your allowance	£195*
<b>TOTAL</b>	<b>£351</b>

#### Annually from the next anniversary

Annual fee	£418
Annual fee for payment of pension/lump sums in excess of your allowance	£195*
<b>TOTAL</b>	<b>£613 p.a.</b>

\* The due date for this fee is aligned with the annual administration fee date. If you're taking regular income, both fees will be charged at the same time each year. If you take a one-off income payment, this will be charged at the time of taking the income, and it will cover the period up to the next annual administration fee. For example, if an annual administration fee is due 26 June and an ad hoc income payment is taken on 15 December, the payment of pension fee will cover the period from 15 December to 25 June the following year.

NB If you take only the tax-free lump sum and no income drawdown in excess of your allowance, there will be no annual pension payment fee.

## Examples of Fees (continued)

### 3 Buying a property

You are setting up a SIPP to buy a commercial property, as you feel this will be a good investment for part of your pension funds. With your adviser's assistance, the SIPP is set up online and funds are transferred from another pension arrangement into the SIPP bank account and used to buy a commercial property. You use a solicitor from our panel.

Our annual fee for operating the SIPP will be £922 as it can hold the full range of investment options. In addition we charge £923 for the property purchase using a panel solicitor and an annual property fee of £586.

The fees we will deduct from your SIPP are:

#### At the outset

Establishment fee (online application)	nil
First annual fee	£968
Cash transfer in fee	nil
Property purchase fee	£968 (VAT exempt)
First annual property management fee	£615
<b>TOTAL</b>	<b>£2,551*</b>

#### Annually from the first anniversary

Annual fee	£968
Annual property management fee	£615 (VAT exempt)
<b>TOTAL</b>	<b>£1,583 p.a.*</b>

### 4 Syndicated property purchase

You and your four business partners are setting up SIPP's to buy your business premises as you feel this is in the best interests of your retirement planning and your business. With your adviser's assistance, you each transfer in funds from one other pension arrangement into your SIPP's to enable you to buy an equal share of the property. You use a solicitor from our panel.

Our annual fee for operating the SIPP will be £968 as it can hold the full range of investment options.

Each client's SIPP will be charged the following:

#### At the outset

Establishment fee (online application)	nil
First annual fee	£968
Cash transfer in fee	nil
Property purchase fee (20%)	£193.60 (VAT exempt)
Additional syndicate members fee	£156 (VAT exempt)
First annual property management fee (20%)	£123 (VAT exempt)
First annual syndicated ownership fee	£129
<b>TOTAL</b>	<b>£1,569.60*</b>

#### Annually from the first anniversary

Annual fee	£968
Annual property management fee (20%)	£123 (VAT exempt)
Annual syndicated ownership fee	£129
<b>TOTAL</b>	<b>£1,220 p.a.*</b>

In addition to our fees, there will be other fees for the property purchase, such as legal fees, stamp duty, or equivalent tax and disbursements. There may also be other annual fees, such as agent's fees if you use an agent to collect rents and other related costs or tenant/lease costs. Please note that some property fees are VAT exempt, please review the property sections of this document for more information.

\*All fees are subject to VAT unless otherwise stated. Annual fees increase in line with wage inflation and the amounts shown in the examples above are the current figures. The actual future amounts are likely to be higher.
